BRAG Section:

Representatives from several secondary institutions and some branches of the military have met with our students this year. We are working to give them as much information as possible.

Students were able to take the Accuplacer test at UACCM. Nemo Vista Schools paid for this. This will take the place of the Compass test.

Remember to listen to the local radio station and watch the Petit Jean Country Headlight for news concerning Nemo Vista. We are reporting upcoming events to them. You may also watch the school sign for information about upcoming events and check our school website. Each teacher has his/her own webpage which is updated weekly. We will notify the radio station and TV stations if there is a closing due to bad weather or other situations.
