

# March 2018 Newsletter for NVHS

Dear Parents of NVHS Students and Community Members:

We are still excited about the learning opportunities this year will bring.

Working together, we can make this the best year ever at Nemo Vista High School. We are looking for volunteers to help out at our school. If you would like to help, please let me know. I have a form that will be available upon request.

Thanks again for all of your support. Remember that we have information available in the Parent Center on various topics. We can add to our resources if you let us know what you need. Please feel free to contact me if I can be of service to you with the furthering of your child's education. Remember to listen to the local radio station and watch the Petit Jean Country Headlight for news concerning Nemo Vista. We are reporting upcoming events to them. You may also watch the school sign for information about upcoming events and check our school website. Each teacher has his/her own webpage which is updated weekly. We will notify the radio station and TV stations if there is a closing due to bad weather or other situations. Students have their AMI packets for these days.
