News from the NVHS Library: We now have a growing chess club that meets every morning before school at 7:30 and every day at lunch. The Library Club has purchased several chess sets for the players to explore this awesomely intellectual game. Ms. Pierce invites you to stop by and check it out.

The Junior High Quiz Bowl team place third in regionals. This qualified them for the 8th annual Junior National Academic Championship. This team is made up of 7th-9th grade G/T students.

Please remember and advise your child that attendance is very important. Please see the student handbook that spells out everything about absentees and make up work.

Thanks again for all of your support. Remember that we have information available in the Parent Center on various topics. We can add to our resources if you let us know what you need. Please feel free to contact me if I can be of service to you with the furthering of your child's education.

Remember to listen to the local radio station and watch the Petit Jean Country Headlight for news concerning Nemo Vista. We are reporting upcoming events to them.
