

# **Nemo Vista Middle School Parental Involvement Plan 2015-2016**

The administration, staff, and school board of **Nemo Vista Middle School** are committed to providing a quality education for all students and to recognize the essential role of parents and the value of their input in their child's educational experience. At NVMS we realize that parents are the first teachers a child encounters, and we wish to capitalize on that valuable resource. The mission of our Parental Involvement Plan is to describe programs and practices in place at Nemo Vista Middle School that create and support active parental involvement and meet the needs of students and their families. Nemo Vista encourages parents to become actively involved in their child's education. To achieve these goals, Nemo Vista Middle School will work to:

- Have parent representatives on ACSIP committees and other school committees.
- Yearly parental surveys will be distributed and analyzed to assess the plan and public response to it.

2. Explain to parents the State's content and achievement standards, state and local student assessments, how the district's curriculum is aligned with the assessments, and how parents can work with the school to improve their child's academic achievement.
