Math - We will begin Chapter 7 *Geometry*. It will cover identifying geometric shapes and their attributes such as faces, vertices and edges, partitioning shapes into rows and columns, square units, and partitioning shapes into halves, thirds, and fourths and fractions. **Remember to study those flashcards as well.**

English

We will test **Wednesday** over Unit 5 "*More About Verbs*". It will cover irregular verbs, come, run, give, go, do and see, helping verbs, have, had, and has, and adverbs.

Science

We will continue Unit C Ch. 7 *Saving Resources*.

Homework: *The Man Who First Recorded Sound*

Things to Remember

- English test is Wednesday. Study guides are in red folder.
- Unit 5 Reading test is Thursday.
- We are out of tissues. If any parents could send some, it would be greatly appreciated.
- Movie Night is March 29th.
- We are using factmonsters.com to reinforce math facts. They can use this site at home as well.
