5690 Hwy. 9  
Center Ridge, AR 72027

Dear Parents/Guardian,

EFFECTIVE IMMEDIATELY! Medication can no longer be dropped off with the building secretary. You will be required to deliver any medication, asthmatic inhaler, epi-pen, etc. to the nursing office for proper documentation. Also, you as the parent/guardian will need to delegate (choose) a school employee such as a teacher or secretary to administer medication to your child in the absence of the nurse.

Thank you for your cooperation in this matter.

Nurse Deb
