Goals from 2024-2025 School Improvement Plan:

- We were able to meet our goals from the 2024-2025 school year; however, we feel the need to continue to work towards improving on these goals each school year. We will also be working on changing our goals based on the current ATLAS data for 3-5 as well as the data for K-2 that is still currently being released daily.

School Improvement Plan 2025-2026:

1. **Long Term Goal:** On the 2026 ESSA School Index, School Content Value added Growth: ELA growth will meet 80%.

Short Term Goal: On the STAR Assessment, 80% of the students will increase their reading level each assessment.

2. **Long Term Goal:** On the 2026 ESSA School Index, School Content Value added Growth: Math growth will meet 80%.

Short Term Goal: On the STAR Assessment, 80% of the students will increase their math level each assessment.

3. **Long Term Goal:** On the ESSA School Index, Value Added Growth, will meet 80%.

Short Term Goal: 75% of the students designated as scoring below on the ATLAS interims will show improvement from the fall of 2025 to the winter of 2026.

4. **Long Term Goal:** 75% of the 3rd grade will be reading at or above grade level by the end of 3rd grade.

Short Term Goal: 80% of the students reading below grade level at the beginning of 3rd grade will increase their reading level each STAR assessment.

Goals for 2025-2026 School Year:

- 1) To address the weak areas of our curriculum and students based on ATLAS summative testing and screener, and STAR results.
- 2) To have an action plan for children who are considered at-risk.
- 3) To identify homeless children and service their needs according to the McKinney-Vento Act.
- 4) To actively involve parents in their children's education.
- 5) Continue to align K-5th grade pacing guides to the Arkansas State Standards.

Statements of Meeting Goals:

We have met our goals for the 2024-2025 school year, but we are striving daily to continue to grow our students and achieve the highest excellence for our students.
