

4.36 -- STUDENT ILLNESS/ACCIDENT - School Board Policy

When a student visits the health room, the parent/guardian will be contacted (unless a student visits for a minor cut, scrap, or complaint. If we cannot reach the parent/guardian, then the emergency contacts provided on the health information form will be notified. Failure to make verbal contact will result in a written note being sent home with the student.

This school does not assume responsibility but does wish to provide the best service possible in an emergency. If the parent/guardian cannot be reached at the time of the emergency and if immediate observation or treatment is urgent in the judgment of the school authorities, I authorize and direct the school authorities to activate the community 911 system with emergency transportation to the local hospital or emergency facility most accessible.

If your child becomes ill while at school, you will be requested to pick up your child immediately.
