

# Home School Connection

Dear Family Member:

For the next week our class will study the genre of poetry. We will be focusing on how people find solutions to problems. When we must figure something out, what do we think of first? What do we do next?

Here are some resources that you can use with your child to help reinforce the skills we'll be practicing.

## Word Workout

- Vocabulary Help your child complete a crossword puzzle using the words.

## Spelling Words

- Week 5: Digraphs Help your child write the spelling words and additional words in columns labeled with the letters ch, tch, th, and sh.

## Comprehension: Point of View

Help your child make up answers to a question from different points of view.
