

Home School Connection

Dear Family Member:

For the next two weeks our class will study the genre of expository text. We will be focusing on adapting to challenges. We will discuss how animals adapt to challenges in their habitat.

Here are some resources that you can use with your child to help reinforce the skills we'll be practicing.

Word Workout

- Vocabulary Work with your child to identify the words that match each clue.
- Spiral Review: In this activity, you and your child will write a short story. You will take turns forming sentences that use the words, adding one sentence at a time to build the story.

Spelling Words

- Week 3: Variant Vowels Help your child build spelling words using letters on slips of paper.
- Week 4: Homophones You and your child will take turns using each word in a sentence, naming the spelling word, and finally spelling the word.

Comprehension: Compare and Contrast

Help your child tell how three items are alike and how they are different after completing a chart listing each item's characteristics

AR: AR GOAL is 75 Points!

Congrats to the 3 students already at 100 for the year!!

-Ms. Swaffar
