Dear Family Member:

For the next week our class will study the genre of poetry. We will be focusing on inspiration. We will be discussing how others can inspire us.

Here are some resources that you can use with your child to help reinforce the skills we'll be practicing.

Word Workout

- Vocabulary You will say a word, and your child will use it in a sentence to describe a book character or movie character.

Spelling Words

- Week 5: Soft c and g You will write the spelling words on index cards or slips of paper and place them face up on a table. After you spell a word, your child will find the appropriate card, hold it up, and say the word. If correct, he or she keeps the card. Then you take a turn.

Comprehension: Theme

Help your child describe what is happening in each picture. Then he or she will write the theme of the event.

Remember your child should be reading every night(:
